Experience

BARTENDER/MANAGER/SOCIAL MEDIA, COMET GRILL; CHARLOTTE, NC 2007-2019

I have been a bartender/manager at this neighborhood music venue for 10 years. I have worked closely with the owner to manage and develop an online social media presence, have been in charge of inventory/ordering, helped to advance and promote our live music program, managed nightly monetary responsibilities (as well as insuring proper percentages were maintained in accordance to local ABC law), and handled the hiring and training of new employees. I have aided in the organization of both private and charity events; as a point of contact as well as facilitating on site. ServSafe certified.

FLIGHT ATTENDANT, US AIRWAYS 2013-2014

Flight attendant; often in the lead 'A' position (First Class). Extensive training in situational awareness, emergency procedures, and guest interaction. Responsibilities included safety protocols and compliance with all federal regulations, guest satisfaction, prompt and on time service, and applicable paperwork.

BARTENDER, UNION GROUNDS; BROOKLYN, NY 2012-2015

I brought Southern charm and hospitality to this new and very successful neighborhood sports bar as a primary bartender. In charge of nightly opening and closing of the establishment as well as monetary reconciliation.

BARTENDER, TURNMILL; NEW YORK CITY, NY 2014-2015

Bartender in an extremely busy warehouse-sized Manhattan bar, most often in the back bar area and specializing in private parties and events. Frequently moonlighting at the owners' other Manhattan pub/club, The Globe. Successfully earning my NYCDOH Food Protection Certificate.
